## APEX HOSPITAL

Apex Hospital is an ISO 9001:2015 certified and NABH Accredited, 250 Bedded Multi Super Specialty Hospital, one of the most well-equipped patients & family friendly and one of the most renowned Hospital in central India, with the largest campus in private sector, located at B.L.W, Hydel Road, the Holy City of Varanasi. The Hospital continued the pursuit of excellence in healthcare, compassion and the commitment & is known for its outstanding medical complex exclusively integrated with best medical infrastructures.

## APEX COLLEGE OF NURSING

Apex College of Nursing is a constituent unit of Apex Hospital, and one of the pioneer institutes in the holy city of Varanasi. The Apex College of Nursing is the one-stop destination for meeting the academic needs of students making it an educational hub catering to fulfilling the innate dreams of students. The college has state-of-the-art facilities and an eco-friendly campus. The college offers M.Sc. Nursing (in all specialities), B.Sc. Nursing, Post Basic B.Sc. Nursing, GNM & ANM courses in nursing profession. The college has experienced and well-qualified faculties to ensure the quality of nursing education by incorporating innovative teaching-learning activities that focus on clinical competence and individual attention to students. Students receive extensive clinical experience in campus bedded multispecialty hospital and other affiliated hospitals. The college also creates an environment for the generation of innovative knowledge through research.

## ABOUT THE WORKSHOP

Patient with critical care in modern times has become an inseparable part of the Nursing Professionals whether it is in academics, clinical settings, or research. Competent nurses and academicians are a crucial prerequisite to the nursing profession, who is contributing an essential role in up skilling their competence in quality patient care in clinical settings and on the other hand in building future nurses. The National Workshop on the theme "Nursing Skill Based Learning on Patient with Ventilator" aims at bringing together experienced and expert professionals across the country to impart knowledge and skills specific to the field of patient care with Critical Care Nursing. This workshop will be of benefit to all the nursing fraternity including the nursing faculty, nursing practitioners, and the students of nursing profession.

## OVERVIEW OF WORKSHOP

The workshop provides concise and clear overview of the topics required in care of critically ill patient and to help participants learn to identify the steps, immediate actions and practices needed in emergency management. The workshop focuses on both aspects, the theory & the practices, which enhances the professional skills among the caregivers. Nurses in various healthcare sectors perform vital roles in assimilating evidences for providing quality health services to the mankind. An expanded knowledge to inculcate the nursing care provided to the critically ill patient and in bridging the gap between the theory and practice is the need of the hour.

## AIMS/OBJECTIVES OF THE WORKSHOP

Workshop will re-invigorate & update the knowledge & skill of delegates regarding research & aims to bring all like-minded professionals together having an interest in different fields and exploring the advances in practice, reforms the curriculum in order to develop an able leadership role among researchers.

## From Desk of Chairman

It is a well-acknowledged fact that a strong educational foundation is essential for the enhancement and success of any academic endeavors and professional excellence. This institution is developing under the dynamic leadership of world-class visionaries - Dr. Santosh Kumar Singh, Chairman, Apex College of Nursing, Apex Group of Higher Medical Educations and Apex Super Speciality Hospital, Varanasi. Their noble efforts are directed in motivating young minds and grooming young talents as competent, compassionate, committed and dedicated work force ready for care services in a wide range of health care profession. This institution, with an assurance of innovative teaching and clinical practices focus on preparing nursing with real-life knowledge.
